

Transducers Direct se especializa en control de proceso, como: Industria Plástica, Sistemas Hidráulicos, Manufactura, Perforación, Automatización de Máquinas, Construcción, Alimentos y Bebidas, Tratamiento de Agua y Agricultura.

Sd> Industrial y Transducers Direct han creado una alianza comercial ofreciendo beneficios como: calidad, desempeño, bajo precio, soporte técnico y 30 días de prueba al comprar cualquier producto; de este modo aseguras el transductor más apropiado para tu aplicación.

Gama de Transductores de Transducers Direct

Pressure Transducers

- > Pressure Transducer TDG03
- > Pressure Transducer TDG01*
- > Intrinsically Safe Pressure TDG03
- > Intrinsically Safe Pressure TDG01*
- > Pressure Transducer TDM30
- > Pressure Transducer TDM51/52

Linear Transducers

- > Linear Position Transducer (6" to 56") TD390
- > Linear Position Transducer (1" to 6") TD390
- > Linear Position Transducer TD590
- > Linear Position Transducer TD580M
- > Compact Linear Position Transducer TD592

Melt Pressure Transducers

- > Stem Flex TD2
- > Rigid Stem TD1
- > Narrow Space TD4
- > + Thermocouple Stem Flex TD
- > Melt Pressure Gauge TD6

In Cylinder Linear Transducers

- > Position Transducer TD140

Cables & Accessories

- > Transducer Cables TD4P9
- > Pressure Transducer Cable TDB6
- > Linear Transducer Cable TD5P

Pressure Switch

- > Adjustable Pressure Switch TDPS 11 13
- > Adjustable Pressure Switch TDPS 1 3
- > Adjustable Pressure Switch TDPS 4 10
- > Factory Preset Pressure Switch TDPS23
- > Factory Preset Pressure Switch TDPS20

Temperature Switches

- > Temperature Switch TDTS31
- > Temperature Switch TDTS30
- > Temperature Switch TDTS32

Tire Gauge

- > Tire Gauge

Flow Meters and Flow Switches

- > Flow Meter TDFM
- > Flow Switch TDFS

Liquid Level Switches

- > Ultrasonic, Miniature, Liquid Level Switch TDLS01
- > Ultrasonic Liquid Level Switch TDLS02

Digital Displays

- > Digital Meter / Digital Controller TDR010
- > Digital Meter TDBR040
- > Digital Meter / Digital Controller TDR040
- > Digital Meter / Digital Controller TD503
- > Magnetostrictive Digital Meter/Digital Controller TD6500

* 4 times over pressure
